"HOW DO YOU GET YOUR EXERCISE"

Sport Pictorial #18

SYNOPSIS: This picture shows the various ways people get exercise.

At Westpoint the National Game of baseball is played after which the students have a lot of fun and exercise doing their snake dance.

The girls at Wellesley go through their various forms of exercises in order to keep their perfect "36" figures.

While in New York the Fire Department get a lot of exercise trying to manage a high pressure hose.

We also see in this picture the athletic training given to the New York Fire Department while in their probation school, and the fun and action of volunteer competitions of the Fire Departments of Long Island which shows hook and ladder contests, hose coupling contests and winds up with as much fun and action as a Mack Sennett comedy.
